Making
Jesus Known

"The harvest is plentiful, but the labourers are few; therefore ask the Lord of the harvest to send out labourers into his harvest."

Luke 10 vs2 NRSVA

As a church we do a range of things to work with children and with adults. We do things to reach out into the community, everything from our Diddy Donkeys baby and toddler group through to Tea on Tuesday afternoon teas for the elderly, as well as concerts (3 this month) and our Summer Fair—the Revel.

Lots of other organisations run similar events and activities making an impact in the parish and island.

What should be the difference.... Jesus. We do these things as Christians. Our aim is to make Jesus known, to both take the opportunities to share the good news of Jesus, but also to show his love in our actions, to speak his love in our words.

So that when people come to our activities—they see Jesus. So when we run our events, let's pray that people sense God in and through us and pray that people come to know Jesus for themselves.

ECO CHURCH
AN A ROCHA UK PROJECT

When we are cooking, let's try to
stop using aluminium foil,
wherever possible let's use a
container with a lid that can be
reused.

Aluminium is a rare metal and its
extraction and purification uses a
lot of
energy.
