Thought for the Month

Most days I try to go for a walk, it's good to get some fresh air and exercise, Guernsey is such a beautiful place to enjoy.

When I walk, I often listen to music, entertainment on the way.

But rather than in the ear headphones, or large over the ear headphones that block out everything but the music, I use bone-conducting headphones that mean I can still hear what is going on around me.

I can hear the birds singing, the wonder of nature, as well as cars coming up behind me, so avoiding being run-over.

In all the busyness of life, in all the distractions, when things are happening around us, the noise of everything..... we need to keep our ears free to listen to God.

God has things to say to each of us, guiding us, encouraging us, as we walk through life.

“My sheep hear my voice, and I know them, and they follow me.”

Exercise Class

Seema, a grandparent who comes to Diddy Donkeys with her grandson is a trained instructor for OTAGO exercise classes. This is an exercise programme aimed at those in the 65+ age bracket. Through a series of simple moves it helps to reduce the risk of falling and increase stability in movement.

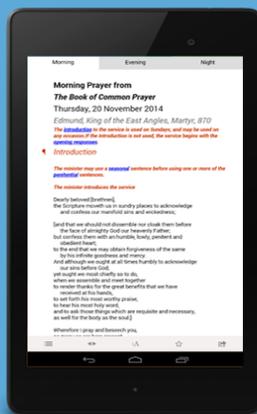

Seema is currently running a course in the Church Hall on Friday mornings that is fully subscribed, but if anyone else would like to sign up, she will try to find a suitable venue and time for an additional course.

Please contact Seema for further information: srbanhatti@gmail.com or 07839 292394.
