## Christmas is coming....

In our Bible Study Groups we will be watching a BBC series from 2010 following the lives of Mary, Joseph, a shepherd the Wise Men and King Herod and discussing what it means. Tues 4th, 18th Nov & 2nd Dec  
Thurs 6th, 20th Nov & 4th Dec  
Why not join us?

## Thought for November

This year is the 80th anniversary of the end of the Second World War.

At the heart of our events in this church are the men and women who served and gave so much to secure peace and the freedoms we enjoy today.

The ending of the most devastating war in history would not have been possible without the

commitment and dedication of so many people, and the sacrifice of so many.

As we join together for afternoon tea on 6th November in church, as we gather at the War memorial on Remembrance Sunday (9th November), may we remember with thanks all who served and be mindful of those who still serve today around the world.

When you go home, tell them of us and say  
For your tomorrow we gave our today.

## What is a Carbon Footprint?

Eco church gives some helpful advice about this.

Auditing your personal carbon footprint in detail enables you to set goals to reduce it and to offset the carbon you can't eliminate.

Climate Stewards have versions of their calculator suitable for individual households: <https://www.climatestewards.org/offset/>

Why not give it a go?
