Thought for August

At our final service on Sunday 9th August we will sing Sydney Carter's well-known hymn:

One more step along the world I go.
One more step along the world I go.
From the old things to the new
keep me travelling along with you.
*And it's from the old I travel to the new.
Keep me travelling along with you.*

As I travel through the bad and good
keep me traveling the way I should.
Where I see no way to go,
you'll be telling me the way, I know.
And it's from the old.....

Round the corners of the world I turn.
More and more about the world I learn.
All the new things that I see
you'll be looking at along with me.
And it's from the old.....

Give me courage when the world is rough.
Keep me loving though the world is tough.
Leap and sing in all I do.
Keep me travelling along with you.
And it's from the old

You are older than the world can be.
You are younger than the life in me.
Ever old and ever new,
keep me travelling along with you.
And it's from the old...

As we leave the island after 16 amazing years, the hymn holds the truth for us – God travels with us as a family to our new adventure in West Sussex. As life in St Saviours continues, it holds true for you too – God is with you on the journey into whatever he has in store for you.

And you journey together, Team St Saviour continuing to serve God in the church and the parish, making Jesus known. May God bless you all.
