Can anyone help please?

For the last few month Rev Mark has been writing and producing the monthly newsletter.

Is there someone willing to take it on please? Many thanks

Thought for the Month

God
grant me
the Serenity
to accept the things
I cannot change,
the Courage
to change the things
I can, and
the Wisdom
to know the
difference.

Reinhold Niebuhr (1892-1971)

These are probably familiar words to many of us.

But I think it's also worth reflecting on the rest of the prayer;
Living one day at a time; enjoying one moment at a time; accepting hardships as the pathway to peace; taking, as He did, this sinful world as it is, not as I would have it; trusting that He will make all things right if I surrender to His Will; that I may be reasonably happy in this life and supremely happy with Him

Thank you to everyone who has either
supplied produce or bought things
from our hedge veg stall!
In 2025 we raised £529 for Floral St
Saviours. Let's see how much we can
raise in 2026!

Tower Fund Appeal

The parish are trying to raise £170,000 to repoint the church tower, to stop water coming in when it rains.

Legally it is the parish's responsibility to look after the fabric of the building.

Currently they have £65,000 in the bank. and will be approaching the ratepayers for more money in April at

the Parish Meeting.

Our church council (ACC) feel we should as a church family try and raise some funds to help the parish - we after all use this beautiful building for services, concerts and many other things.

Would you be willing to support this?

For more details or to make a donation

please speak to Mark, Anna, Charlotte or Mike

This Lent, take part in Climate Steward's Carbon Fast. Lent is a time when Christians traditionally fast and focus on God. The Carbon Fast will help you consider ways to live more simply, give you new ideas to cut your carbon footprint and invite you to focus on God and consider the whole of his creation. Beginning on 18th Feb, you'll receive a weekly email containing key facts, suggestions for how you could reduce your carbon footprint and a prayer to lead you through this Lenten season. Each week features a different theme designed to help us take climate action in manageable ways that bear witness to a God who has promised to restore all of his creation.
